IN RE: IOWA TELECOM COMMUNICATIONS, INC.	DOCKET NOS. TCU-01-14 TF-02-104 WRU-02-10-3584
----------------------------------------------------	------------------------------------------------------

**ORDER APPROVING TARIFF AMENDMENT, CONCURRENCE IN MAPS,
AND GRANTING WAIVER**

(Issued April 5, 2002)

On March 11, 2002, Iowa Telecom Communications, Inc. (ITC), filed with the Utilities Board (Board) a proposed amendment to its tariff that would allow ITC to provide competitive local exchange service in the Perry, Iowa, exchange. On March 15, 2002, ITC amended its filing to state that it concurs in the local exchange maps in the tariffs of Qwest Corporation (Qwest) for the Perry exchange on file with the Board. The proposed tariff amendment has been identified as Docket No. TF-02-104.

The Board has reviewed the proposed tariff amendment and finds it substantially complies with Board rules for the filing and processing of tariff pages. Therefore, the Board will approve ITC's proposed tariff amendment.

ITC requested a waiver of 199 IAC 22.3(1), which requires local exchange utilities to publish telephone directories. The waiver request is identified as Docket No. WRU-02-10-3584. The Board will grant the waiver based upon the statement of

ITC that it will arrange for its customers to be included in the directory of the incumbent carrier.

Rule 199 IAC 1.3 states that the Board may grant waivers of its rules based upon clear and convincing evidence that the application of the rule would pose an undue hardship, the waiver would not prejudice the substantial legal rights of any person, the provisions waived are not specifically mandated by statute, and substantially equal protection of public health, safety, and welfare will be afforded after the waiver. The Board has considered the waiver request as described above and finds that the waiver meets the four criteria of the rule and the evidence in support of the waiver is clear and convincing.

Adherence to this rule would be an undue hardship on ITC because other competitive carriers have been granted similar waiver requests. The Board finds there are no substantial legal rights of any person that are affected by this waiver and there is no statute that specifically mandates the action waived. Additionally, the Board finds that there will be substantial equal protection for health, safety, and welfare provided since the action waived will be completed under different circumstances.

IT IS THEREFORE ORDERED:

1. The tariff amendment filed by Iowa Telecom Communications, Inc. (ITC), on March 11, 2002, and amended on March 15, 2002, allowing ITC to provide competitive local exchange service in the Perry, Iowa, exchange in concurrence with Qwest Corporation's boundary maps for the Perry exchange, is approved.

2. The waiver of 199 IAC 22.3(1) is granted as described in this order.
